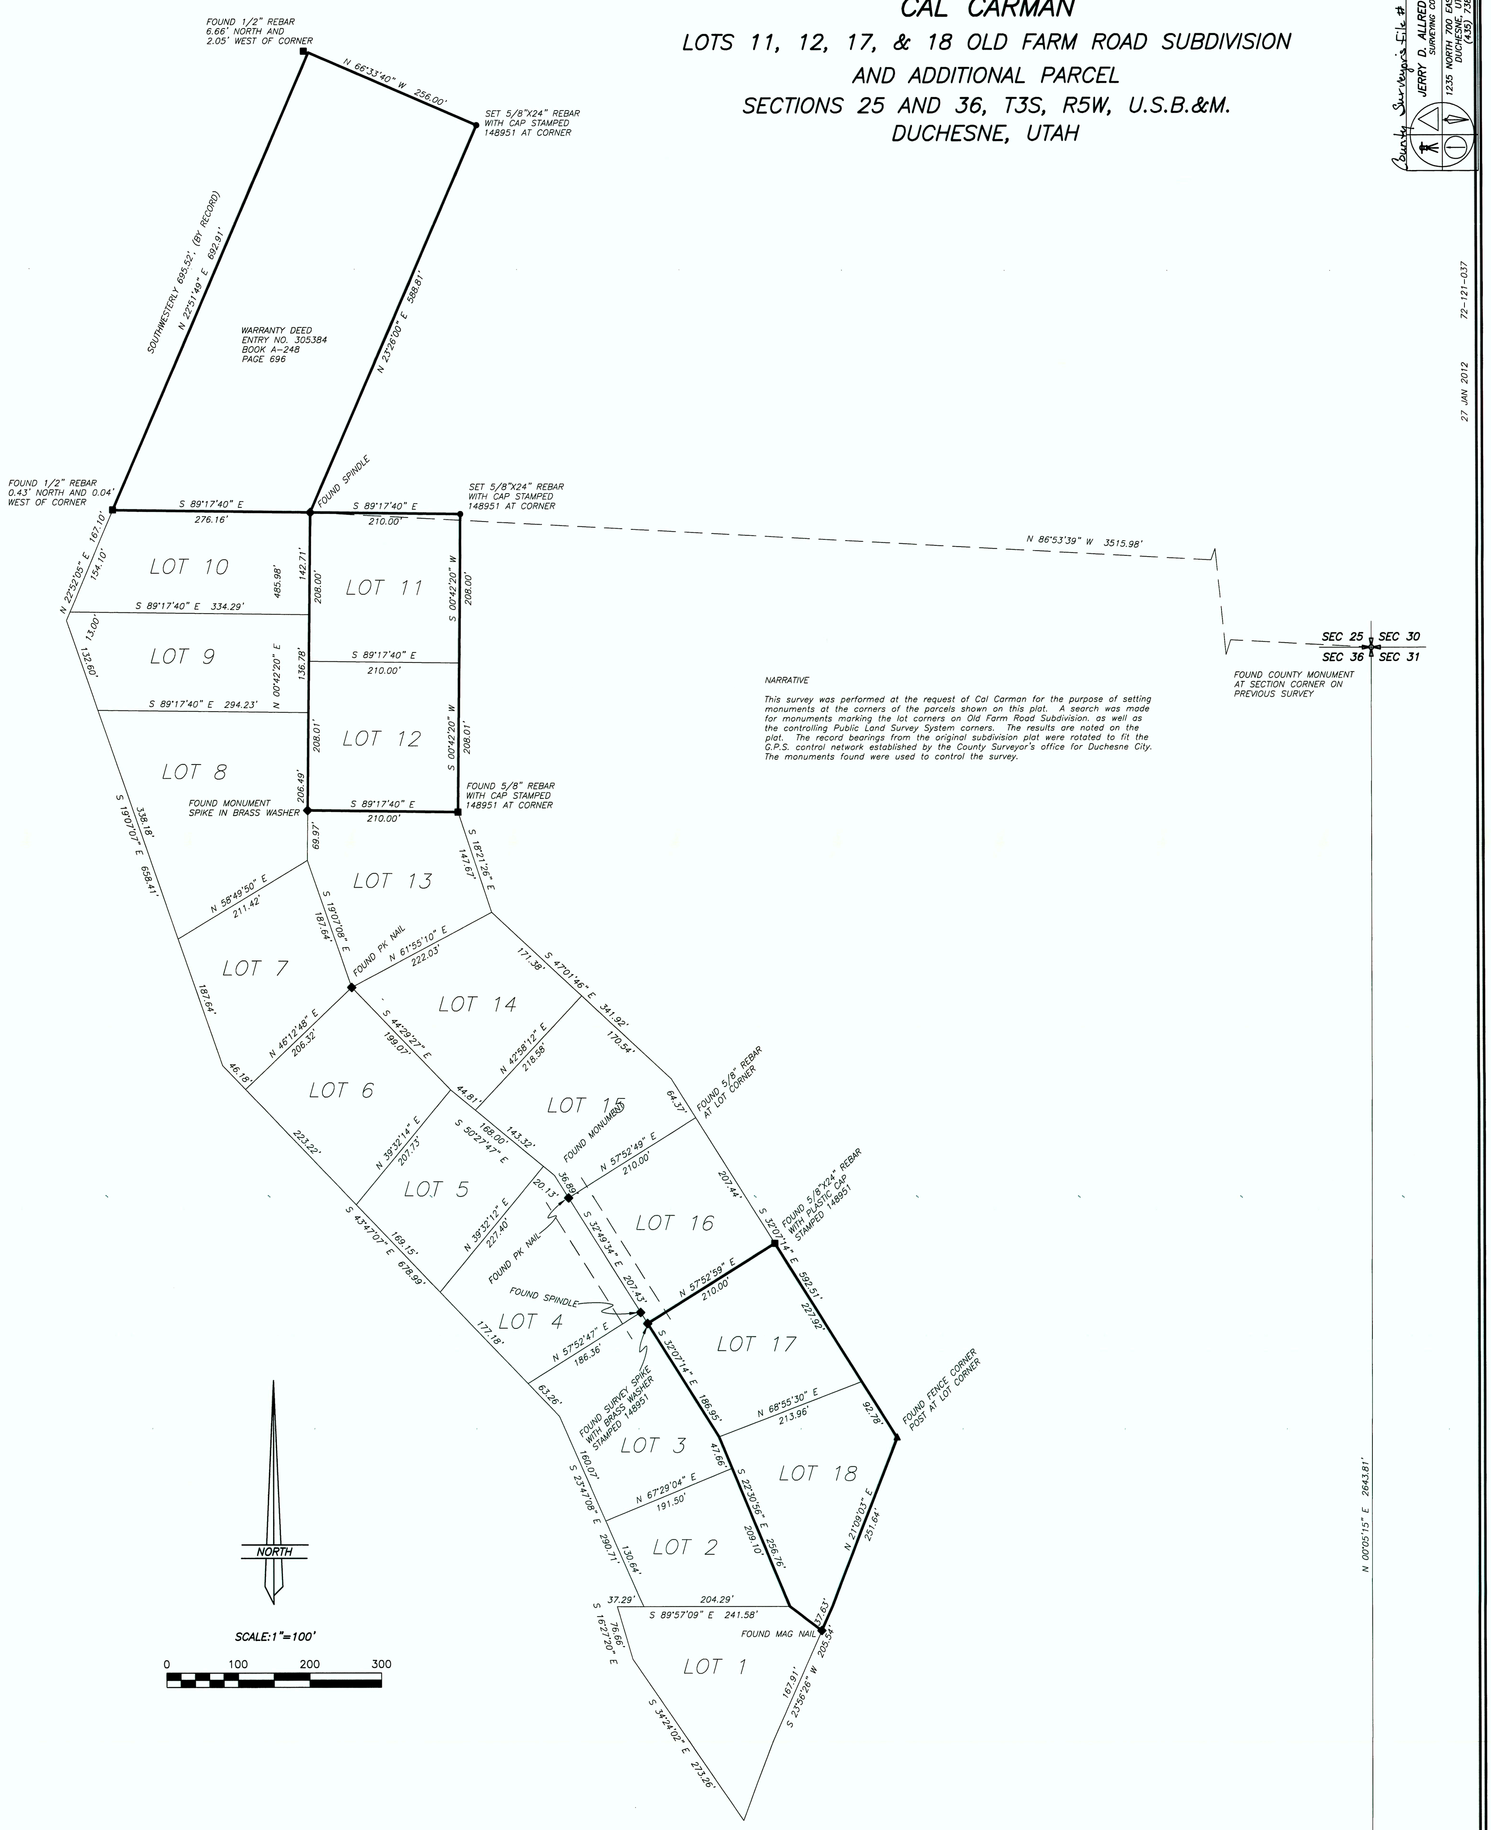
(435) 738-5352

County Surveyor File # 8532

72-121-037

27 JAN 2012



NARRATIVE

This survey was performed at the request of Cal Carman for the purpose of setting monuments at the corners of the parcels shown on this plat. A search was made for monuments marking the lot corners on Old Farm Road Subdivision, as well as the controlling Public Land Survey System corners. The results are noted on the plat. The record bearings from the original subdivision plat were rotated to fit the G.P.S. control network established by the County Surveyor's office for Duchesne City. The monuments found were used to control the survey.

SURVEYOR'S CERTIFICATE

This is to certify that this plat was prepared from the field notes and electronic data collector files of an actual survey made by me, or under my personal supervision, of the parcels of land shown hereon, and that the monuments indicated were found or set during said survey, and that this plat accurately represents said survey to the best of my knowledge.
