James Simonton of Roosevelt, Utah, requested a property survey for property owned by the Roosevelt St. Helen's Catholic Church located on U.S. Highway 40 (432 east 200 North Street in Roosevelt). We were asked to set the property corners and tie in existing facilities which we have shown on this plat.

We used survey control information from the Roosevelt City Plat "E" (RESURVEY OF PLAT "E") and found and used the South 1/4 Section Corner and the Southwest Section Corner of Section 15, T2S, R1W, USB&M which we have shown on this plat.

We have shown existing fence lines, sewer manholes, buildings, sidewalks, power and light poles, etc. as requested.
