NARRATIVE

This survey was performed at the request of Freedom Realty for the purpose of marking on the ground the corners of Lots 97 and 114 of the Buckboard Phase of Bandanna Ranch Subdivision. The original lot corners and points on line that were found on the survey are shown on the plat and were used to control the survey. There had previously been a boundary line adjustment along the South line of Lot 114 as indicated on warranty deeds, entry numbers 324499 and 339119 on file in the County Recorder's records. The corners marking this adjustment were found on the ground and are shown on the plat.

SURVEYOR'S CERTIFICATE
