**NARRATIVE**

This survey was performed at the request of Ben Henderson for the purpose of recovering the corners of Lot 14, SUNDANCE WEST-UNIT B and his additional property adjacent to Lot 14. A search was made for the monuments marking these corners and the results are indicated on the plat. The corners of the Public Land Survey System were found and used to control the survey. The relationship of the subdivision corners to the PLSS corners was determined from the data shown on the plat. The lot corners were then found or set.
