NARRATIVE
 This survey was performed at the request of Rocio Colon for the purpose of finding or setting the corners of Lot 41B, AMENDMENT NO. 2 TO SUNDANCE WEST-UNIT C. A search was made for the monuments marking the Public Land Survey System corners and the results are noted on the plat. These monuments were used to control the survey. The original subdivision plats recorded in the Duchesne County Recorder's office were used to determine the position of the original lots corners. The lots corners were then recovered as indicated on this plat.
