DESCRIPTION OF CORNER EVIDENCE FOUND

A PK nail was found at the West Quarter Corner of Section 30 in the center of a County Road in line with an old fence running to the East. Using information contained in the deed of a parcel in Section 25, showing said parcel to begin 30 feet South of the East Quarter Corner, and an old fence line marking this line a monument spike was set on the township line 30 feet North of the found PK nail. The PK nail was replaced with a monument spike and both monuments were referenced as shown.

DESCRIPTION OF MONUMENT AND ACCESSORIES ESTABLISHED TO PERPETUATE THE ORIGINAL LOCATION OF THE CORNER

A monument spike was driven in the asphalt of the county road for the corners and referenced as shown.
