SURVEYOR'S NARRATIVE:

I was contacted by Cheri Castillo to perform this survey and prepare descriptions to transfer 5 acres to her daughter and son-in-law, Kevin and Cami Bird. This 5 acres would be attached to the West side of Birds 5 acres that they currently own. The Duchesne County Planner instructed us to prepare the plat in this manner and call it a "boundary line adjustment" survey. The control work for this survey was taken from data on plat filing #1185 as recorded with the Duchesne County Surveyor's Office. Three section corners were tied in common with that plat.
