NARRATIVE

This survey was performed at the request of Mr. David Thomson to determine the location of the corners to his parcel. The monuments were found as indicated on the plat. The aliquot parts of the SW1/4 of the SE1/4 were used to determine the parcel boundaries. This section was originally surveyed using the "3-mile" method to set the interior 1/16 corners. This method was perpetuated to determine the boundaries for the SW1/4 of the SE1/4.
