Thence South 89°40'11" West 360.00 feet parallel with the North line of said SW $\frac{1}{4}$;
Thence North 00°03'41" East 120.00 feet the POINT OF BEGINNING, containing 1.00 acres, and being subject to that portion being used as County Road Right-of-way.

NARRATIVE

This survey was performed at the request of Mr. Lewis Faucett for the purpose of establishing the corners of a 1.00 acre parcel and also to determine the position of several of the aliquot part corners in the Section as indicated on the plot. This section was originally surveyed using the "3-mile" method to set interior 1/16 corners. A resurvey of this section was performed in 1990 by this surveyor and several of the corners found and used on that survey were also found and used for this survey. Corners were set as shown on this plot.

THIS SURVEY WAS PERFORMED USING G.P.S. (GLOBAL POSITIONING SYSTEM) PROCEDURES AND EQUIPMENT. THE BASIS OF BEARINGS WAS BASED ON WGS-84 DATUM.

SURVEYOR'S CERTIFICATE

This is to certify that I have surveyed the parcels of land shown on this plat, and that the monuments indicated were found or set during said survey, and that this plat accurately represents said survey to the best of my knowledge.

Jerry D. Allred, Licensed Land Surveyor,
Certificate 148951 (Utah)
