

PROPERTY SURVEY FOR  
**U. S. MARSHALS SERVICE**  
**BRUCE HEY PROPERTY**  
 SECTION 21, TOWNSHIP 2 SOUTH, RANGE 5 WEST  
 UINTAH SPECIAL BASE AND MERIDIAN

SCALE: 1=400'

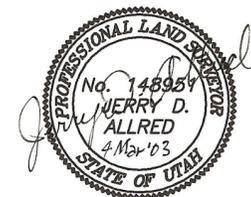

**NARRATIVE**

This survey was performed at the request of the U.S. Marshals Service in order to determine the location of a newly constructed road in relation to the boundary lines of the Bruce Hey property. The legal descriptions of the property are aliquot parts and were provided by the client. The public land survey corners around section 21 were found as indicated on the plat and used to control the survey. The section was subdivided as prescribed by the U.S. Bureau of Land Management Manual of Surveying Instructions into its aliquot parts. The newly constructed road was mapped as shown and was found to be entirely within the boundaries of the subject property.

**SURVEYOR'S CERTIFICATE**

This is to certify that I have surveyed the parcel of land shown on this plat, and that the monuments indicated were found or set during said survey, and that this plat accurately represents said survey to the best of my knowledge.

Jerry D. Allred, Registered Land Surveyor,  
 Certificate No. 148951, (Utah)

COUNTY SURVEYOR'S FILE # 1287
