

PROPERTY SURVEY FOR
MARK BARTON
 SECTION 29, TOWNSHIP 2 SOUTH, RANGE 5 WEST
 UTAH SPECIAL BASE AND MERIDIAN

NARRATIVE

This survey was requested by Mr. Mark Barton to determine the boundary lines of the parcels owned by him in Section 29 which lie North of the State Highway. Monuments were found at all the exterior corners of Section 29 except at the East Quarter Corner. During a previous survey a monument spike alongside an old corner post had been found at that corner. Using ties from that previous survey a 5/8"x24" rebar with an aluminum cap stamped 148951 was set. The old corner post stump was found during the search for the corner. A pipe fence corner has been constructed alongside this corner position. The Section was then subdivided as prescribed in the Manual of Survey Instructions, 1973. The boundary lines of the parcel were marked as shown on the plat.

LEGEND AND NOTES

- EXISTING FENCE
- ◆ SET 5/8"x24" REBAR WITH PLASTIC CAP STAMPED 148951

THIS SURVEY WAS PERFORMED USING G.P.S. (GLOBAL POSITIONING SYSTEM) PROCEDURES AND EQUIPMENT. THE BASIS OF BEARINGS WAS BASED ON WGS-84 DATUM.

SURVEYOR'S CERTIFICATE

This is to certify that I have surveyed the parcel of land shown on this plat, and that the monuments indicated were found or set during said survey, and that this plat accurately represents said survey to the best of my knowledge.

Jerry D. Allred, Licensed Land Surveyor,
 Certificate 148951 (Utah)
