NARRATIVE

This survey was performed at the request of El Paso E&P, Co. for the purpose of describing the aliquot part and creating an access road right-of-way along the south line of the aliquot part as shown on this plat. The monuments marking the Public Land Survey System corners were found as noted and used to control the survey.

SURVEYOR'S CERTIFICATE

This is to certify that this plat was prepared from the field notes of an actual survey made by me, or under my personal supervision, of the parcel of land shown hereon, and that the monuments indicated were found or set during said survey, and that this plat accurately represents said survey to the best of my knowledge.
