NARRATIVE

This survey was performed at the request of Rich Mahoney for the purpose of locating the corners of the parcel described in that QUIT CLAIM DEED recorded as Entry No. 520810 in the Duchesne County Recorder's office. The parcel has previously been staked at the time the area was subdivided and described using meters and bounds descriptions. These original iron pins as called for in the deed were searched for and found as noted on the plat. A new description was prepared in order to reflect the position of the found corners as they exist on the ground.
