

PROPERTY SURVEY FOR
RYAN CLARK
 DUCHESNE INDUSTRIAL PARK SUB. LOT 6
 SECTION 6, TOWNSHIP 4 SOUTH, RANGE 4 WEST
 UINTAH SPECIAL BASE & MERIDIAN

DESCRIPTION OF PARCEL

The West 150.00 feet of Lot 6, DUCHESNE INDUSTRIAL PARK SUBDIVISION. Page 619 of Book A-115 of Deeds, Duchesne County Recorder's Office.

NARRATIVE

The purpose of this survey was to find and locate on the ground, the East line of the West 150 feet of Lot 6, of the DUCHESNE INDUSTRIAL PARK SUBDIVISION as shown hereon.

Existing monuments were found and used to rotate the bearings of the original DUCHESNE INDUSTRIAL PARK SUBDIVISION plat to a more current basis of bearings derived by G.P.S. observations. The relative dimensions of said subdivision have not changed.

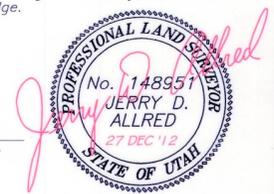

It was also found on the ground that there had been a survey performed by Mr. Daniel Peatross, that located the SE Corner of said Lot 6.

All monuments found and used for this survey are shown hereon.

SURVEYOR'S CERTIFICATE

This is to certify that this plat was prepared from the field notes and electronic data collector files of an actual survey made by me, or under my personal supervision, of the parcels of land shown hereon, and that the monuments indicated were found or set during said survey, and that this plat accurately represents said survey to the best of my knowledge.

Jerry D. Allred, Professional Land Surveyor
