

PROPERTY SURVEY FOR
SUZANNE SULLIVAN
 SECTION 15, TOWNSHIP 4 SOUTH, RANGE 7 WEST
 UTAH SPECIAL BASE AND MERIDIAN

NARRATIVE

This survey was performed at the request of Suzanne Sullivan for the purpose of setting selected lots corners on Lots 2, 3, 4, 5, and 6 of CEDAR MOUNTAIN-2 as shown on this plat. The exterior section corners were found as indicated and used to determine the aliquot part lines of Section 15. The original subdivision plat shows all north-south lines to be parallel with the West line of the NW1/4 of the section and all of the east-west lines (excepting the lines along the county road) to be parallel with the line from the NW section corner to the NE section corner. A standard section breakdown was used to determine the position of the aliquot part lines in the section and the exterior subdivision lines were reconciled to these lines. The lots were then surveyed as shown on the plat.

LEGEND AND NOTES

- 5/8"x24" REBAR WITH CAP STAMPED 148951 SET BY THIS SURVEY
 - 1/2"x24" REBAR SET ON LINE BY THIS SURVEY
- THIS SURVEY WAS PERFORMED USING G.P.S. (GLOBAL POSITIONING SYSTEM) PROCEDURES AND EQUIPMENT. THE BASIS OF BEARINGS WAS BASED ON WGS-84 DATUM.

SURVEYOR'S CERTIFICATE

This is to certify that I have surveyed the parcels of land shown on this plat, and that the monuments indicated were found or set during said survey, and that this plat accurately represents said survey to the best of my knowledge.

Jerry D. Allred, Licensed Land Surveyor,
 Certificate 148951 (Utah)
