

You can view a calendar of library and **non-library sponsored** public events at [duchesnelibraries.org](https://duchesnelibraries.org). Click on the “Events Calendar” link in the left menu.

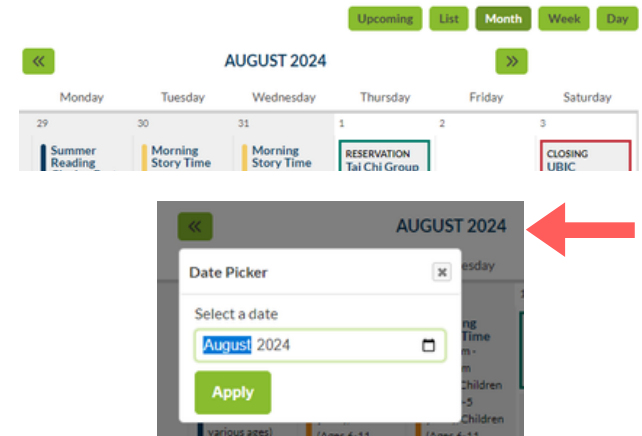

The main calendar shows the current month and all of the events of both libraries and outreach. You will also see “reservations,” non-library sponsored public events.

The left menu provides filters you can check; then click the “Apply” button at the bottom to narrow the results shown on the calendar. Those filters include:

- Specific library branches.
- Age groups
- Common program types
- A keyword search

Use the green buttons above the calendar to change the display of events. The left and right arrows look at past or future months. Clicking on the blue month title will allow you to jump to a specific month.
