Duchesne Branch Remodel Update. Commissioner Hansen gave an update on the progress of the remodel of the Duchesne Branch. She stated that the completed building will be beautiful and a great asset to the community once finished. The anticipated move-in date is the beginning of December. However, the completion of the HVAC system controls tie-in might push the date back. Director Mauchley has received a \$500 donation to go toward furnishings for the remodeled branch. He proposed creating a donation recognition sign to hang in the building similar to the one created for the Roosevelt Branch. The board agreed that Director Mauchley should send out a note to county residents requesting donations for furnishings for the remodeled branch library.

There has been a significant use of the Wi-Fi this past month. Roosevelt has had 8,000 people attend events this year so far. The staff are working hard to plan and execute library events. The Duchesne Branch staff is starting a literacy tutoring program. The planning and organization are just getting started. A volunteer-based program may begin next year.

Much of the spending on the budget this year under technology will be covered by grants.
