# A Guide to Our Digital Libraries

In order to use our digital libraries, you must have an active Duchesne County Library card. Library cards expire each year and this will prevent you from using these apps. Make sure to check in with us at the library once a year to keep your contact information up to date so we can renew your card.

## Utah's Online Public Library

Patrons have access to a wide variety of resources courtesy of the state library. To explore what is available to you, visit [onlinelibrary.utah.gov](http://onlinelibrary.utah.gov).

For students K-12, Utah's Online Library also offers many resources. To access this content from home, visit [onlinelibrary.uen.org](http://onlinelibrary.uen.org).

If the library does not have a title you're looking for, you can do a deep search by selecting the filter button

and scrolling down to select **Deep Search**.

This will bring up titles that the library does not own. Once you find the title you're looking for, tap **Notify Me** so you'll know if we acquire a copy.

*Note: Requesting a deep search will not guarantee that title will be purchased. Purchases are decided based on high demand.*

To place an item on hold, tap **Place Hold**. Libby will send you an email letting you know when it's available. Once you've been notified that your hold is available, you have **3 days** to either **Borrow**, **Suspend**, or **Cancel** the hold. If no action is taken, your hold will be suspended.

From your shelf, you can select **Manage Loan** to view different actions, such as **Read with** to send a book to Kindle, renew, and return your loan.
